

ABT NEWS

ABT Treuhandgesellschaft AG (ABT) is acquiring Furttal Treuhand AG (FTT), thereby strengthening its market position in the trust business.

FTT, a renowned and long-established company based in Otelfingen, will be acquired on July 1, 2025. For over 30 years, it has been providing its clients with professional advice in the areas of tax, accounting, and payroll, as well as offering consulting services in connection with inheritance law and real estate.

ABT operates both nationally and internationally from Zurich and Cham/Zug and is a member of the global Nexia network. ABT provides its discerning clientele with comprehensive advice in the areas of tax, accounting, and legal services.

The takeover is a strategic step to expand the range of services and leverage synergies.

The name of FTT, its culture, and its employees with their personal approach will remain unchanged. Together with ABT, clients will benefit from even more expertise and added value. This collaboration will strengthen the ambitions and positions of both companies.

We welcome FTT and look forward to a successful future together.
